E.E.s of MCH cadre and the remaining 17 posts are from PH cadre. It is also stated that Government while issuing these orders has observed that 4 posts of EE's will fall under the share of Engineering wing of MCH and 15 posts to the Public Health cadre considering ratio of their relative strength in the feeder category of Dy. E.E's.

2. The Commissioner and Special Officer, Greater Hyderabad Municipal Corporation, Hyderabad has also stated that after formation of Greater Hyderabad Municipal Corporation the surrounding 12 Municipalities were merged into Greater Hyderabad Municipal Corporation, Hyderabad and the total cadre strength of Executive Engineers increased from 19 to 33 in Greater Hyderabad Municipal Corporation and all the posts of EE's except 2 posts have been filled up by the Public Health Engineering department. As such (8) posts of EE's (i.e., 25% of 33 posts), will fall under the share of Engineering of MCH and 25 posts to the Public Health cadre. He has, therefore, requested the Government to Municipalize (6) more posts of Executive Engineer in addition to the existing 2 posts, out of total existing (33) posts of Executive Engineers, as a share of Greater Hyderabad Municipal Corporation to consider the senior most DEE's for promotion as EE's.

3. Later on, 12 municipalities have merged with Greater Hyderabad Municipal Corporation, Hyderabad with 14 posts of EE's as reported. Thus, total number of posts of EE's exists are 33. Previously (4) posts of EE's were earmarked for Greater Hyderabad Municipal Corporation, Hyderabad when the cadre strength was 19 prior to formation of Greater Hyderabad Municipal Corporation, Hyderabad @ ratio of 1:5 i.e, 20% of the existing strength.
